## For your Healthy Skin

Ginseng's anti-inflammatory properties make it effective in soothing irritated and sensitive skin.

## Unlocking the Secrets to Radiant Skin

Renowned for its rejuvenating properties, Ginseng has been a staple in traditional Korean medicine for centuries.

# LIME

## Vitamin C

The citric acid in lime acts as a natural exfoliant, helping to remove dead skin cells and promote the growth of new, healthy cells. This can result in a smoother, more radiant complexion and can also help to reduce the occurrence of acne.

## Anti-Aging Benefits

The antioxidants and vitamin C in lime help to fight the signs of aging by protecting the skin from damage and promoting collagen production. This can reduce the appearance of fine lines and wrinkles, keeping the skin looking youthful and smooth.

### Soothing and Calming

Peaches have anti-inflammatory properties that can help soothe irritated or sensitive skin. The fruit's natural enzymes gently exfoliate dead skin cells, promoting a smoother, more radiant complexion.

PEACH

## Hydration & Moisturization

Peaches have a high water content, which helps keep your skin hydrated and plump. They also contain natural sugars and antioxidants that help lock in moisture, making them excellent for dry and dehydrated skin.

100 ml

## Natural Collagen

Collagen helps to restore the skin's natural elasticity, making it look firmer and more youthful. This can help reduce the appearance of fine lines and wrinkles. Collagen attracts and retains moisture, ensuring your skin stays hydrated throughout the day. Well-hydrated skin appears plumper and more radiant.

## Enhances Skin Repair

By supporting the skin's natural repair processes, collagen helps to heal and regenerate skin cells, leading to a smoother and more even complexion. As a primary component of the skin's structure, collagen helps to maintain its integrity and resilience, protecting it from environmental damage and signs of aging.

Vitamin  
B5

## Natural Touch for Your Skin

Incorporating collagen into your skincare routine can provide these benefits and more, helping you achieve and maintain beautiful, healthy skin. Discover the power of collagen with our specially formulated skincare products designed to enhance your natural beauty.

## Rich in Antioxidants

Olives, a staple of Mediterranean beauty secrets, are packed with nutrients that offer remarkable benefits for your skin. Olives are loaded with antioxidants, including vitamin E and polyphenols, which protect the skin from harmful free radicals, reducing signs of aging and environmental damage.

100 ml

## Anti-Inflammatory Properties

The anti-inflammatory compounds in olives soothe and calm irritated skin, making it ideal for sensitive skin and conditions like eczema and psoriasis.
